LORI WEITZNER

*Collection*

**SAMUEL & SONS PASSEMENTERIE** announces the launch of its latest creative collaboration with renowned designer Lori Weitzner. Inspired by the coastal landscape for which it's named, the *Everglades* collection from Lori Weitzner, transforms natural elements into sophisticated interior trimmings reminiscent of the tranquil estuaries of Southern Florida.

Featuring sustainable materials such as linen, wood and abaca in rich, yet subtle tones, the collection skillfully reinterprets classic trim designs while evoking a sense of serenity. *Everglades*

is composed of three beaded fringes, four braids, three cords, two gimps, two holdbacks, an embroidered border and a delicate rosette.

The *Underwood Abaca Macrame Braid* and *Savannah Jute Openweave Braid* offer an elegant definition when used alone, however both offer an additional layering opportunity. These dynamic braids can be placed directly on a textile, wallcovering or accessory, or layered over a tape for further dimension.

*Savannah Jute Openweave Braid  
in Moss, Rust and Natural*

*“We want to make beautifully sophisticated pieces that challenge the way someone might look at trim. My intention was to create a collection that would showcase how chic natural materials can be.”*

- LORI WEITZNER, DESIGNER

The *Prairie Jute Embroidered Linen Border* accentuates nature's inspiration with its dynamic scroll pattern. Rolling jute fibers swirl on serene hues of linen lending a sweeping yet delicate accent for pillows, furnishings and window treatments. The delicate *Flora Rosette* is composed of 100% abaca and redefines the preconceived notion of a rosette. The handmade craftsmanship is evident in the complex woven detailing reminiscent of lace accessories from the 1940s.

*Prairie Jute Embroidered Braid in White,  
Flora Rosette in Cloud, Underwood Abaca Macrame  
Braid in Natural, Steppe Heathered Cord with Tape in Toffee*

*Skyla Beaded Ball Fringe in Cool Grey*

The *Skyla Beaded Fringe* is composed of abaca, wood and linen and features a delicate mesh wrapping over large-scale metallic painted wood beads. Distinguished in its intricacies, *Skyla* is available in *Cool Grey* and *Champagne* for a more subdued, modern tone.

Long-standing passementerie basics are artfully reinterpreted in the 5/8" *Desert Linen Border*, *Steppe Heathered Braid*, *Steppe Heathered Cord*, *Savannah Jute Cord*, *Garland Linen Cord*, *Savannah Jute Gimp* and *Garland Linen Gimp*. These versatile accessories will serve as timeless essentials for a designers' repertoire.

The tailored *Garland Linen Gimp* offers a polished finish to furnishings and accessories with perfectly coordinated tones and subtle stitched details. The *Steppe Heathered Braid* and *Steppe Heathered Cord* best exemplify the organic look of the collection. The detailed stitching of the *Steppe Heathered Braid* creates an undulating finish that exudes an artisan handcrafted charm.

*Garland Linen Gimp in Lamb*, *Steppe Heathered Braid in Ice* and *Garland Linen Gimp in Steel*

*Dewdrop Abaca Wrapped Fringe in Greige, Desert Linen Border in Griega, Savannah Jute Gimp in Natural, Eartha Abaca Knotted Fringe in Natural, Dewdrop Abaca Wrapped Fringe in Grain and Desert Linen Border in Grain*

Featuring intricately abaca wrapped wood beads and linen tape; the *Dewdrop Abaca Fringe* is available in three neutral colorways *Natural, Greige* and *Grain*. The individually twisted strands of abaca intimate its artisan hand-craftsmanship while also lending the fringe a textured finish.

*Dewdrop Beaded Abaca Holdback in Natural and Meadow Holdback in Oatmeal*

*These handmade pieces honor the uniqueness found in nature, but are also complex and delicate yielding an overall urbane quality.*

*Meadow*, a linen and cotton blend holdback, showcases a handcrafted mingling of neutral-toned yarns culminating in a stylish and sophisticated accessory. The simple knots and loops combined with the cream, oatmeal and latte hues exude a fresh and contemporary aesthetic. The *Dewdrop Beaded Abaca Holdback* continues the casual sophistication by utilizing twisted abaca fibers hand-wrapped around wooden beads. The beads are then strung on five glazed cotton cords to create a layered feel.
