THE REGATTA COLLECTION

for Samuel & Sons by Lori Weitzner is her first Indoor/Outdoor collection of performance trims. Named after the carefree pastime of boat racing, the Regatta collection celebrates being outdoors and the subtle beauty found in nature. Made using heathered yarns and ombré techniques, the cords and tapes each contain numerous hues that reflect the ever-shifting colors seen in all facets of the natural world. While the trims appear to be comprised natural linens and jute, they are in fact made using outdoor yarn, which allows them to be used both in the home and outside.

Gibraltar

Designed to evoke subtle color shifts found in nature, matte, tonal yarns are fashioned into the elegant ombré layout of Gibraltar.

Avalon

Outdoor yarns of various hues meander across Avalon, producing a lyrical surface. Available in seven colorways.
