SAMUEL & SONS, the premier passementerie tradition in the interior design community, announces the launch of its second creative collaboration with Roger Thomas, world-renowned interior designer of Wynn Resorts.

Twist & Knot is a sophisticated collection of jacquard borders designed exclusively for Samuel & Sons. The collection is composed of two 3" (76mm) wide borders: the French Twist and Celtic Knot. The French Twist Border depicts a graceful ogee articulated in a double weave satin stitch that glides over a finely textured ground. It is offered in 10 sumptuous colors ranging from subtle neutrals such as in Lin D'ore to the bright chartreuse in Pomme Vert.

The Celtic Knot is composed of beautifully intertwined line work revealing classic Celtic knotwork. It employs a finer gauge jacquard weaving technique than the French Twists' and is more graphic in its interpretation. It is offered in 12 colors including three luxurious metallics; an array of neutrals and tonal colors, such as Sage and Aquarium; as well as the refined navy/cream combination of Sailor.
