The Midas Touch: Samuel & Sons Presents the Mica Collection

Inspired by opulent Indian architecture and lavish colors of a traditional Indian Sari, the Mica Beaded Fringe evokes a sense of foreign luxury. The fringe features glass beads inset with silver-leaf invoking the dimension and depth of precious metals and stones. A woven header with a metallic stripe provides the perfect finishing touch for any application. Color offerings include Indigo, Chestnut, Serpentine, Linen and Amber. For information and locations, please visit Samuel and Sons at www.samuelandsons.com or call the New York showroom at 212.704.8000.
