

## New for 2014: The Twist & Knot Collection by Roger Thomas

New for 2014, Samuel & Sons presents the Twist & Knot collection, their latest collaboration with renowned designer, Roger Thomas. The collection features two styles of borders, the French Twist and Celtic Knot.

The French Twist depicts a graceful ogee articulated in a double weave satins stitch, which glides over a finely textured background. It is available in ten sumptuous colours, ranging from subtle neutrals such as Lin D'ore, to the bright Pomme Vert.

The Celtic Knot is composed of beautifully intertwined line work. It employs a finer gauge jacquard weaving technique than the French Twist and is more graphic in its interpretation. It is available in twelve colours including three luxurious metallics: Pewter, Sterling and Gold. The collection also features an array of neutrals, including Sage and Aquarium.
