New for 2014: The Harbour Collection

Samuel & Sons presents the Harbour collection, a range inspired by nautical regalia and coastal chic. Featuring organic cords, braids and hand-knotted fringes, the collection illustrates the inherent nature and beauty of linen and the translation of it when woven.

A highlight of the collection is the Beaded Braid in which yarn-covered beads float across the waves of an intricate lanyard gimp. The hand-knotted Barrel Knot Fringe employs a wonderful rhythm with its alternating lengths of twisted rope. A triple-ply rope tieback offers a stunning addition to any curtain, boasting beads and Barrel knots, a linen frog with a historic Crown Knot in its centre and a proportioned key tassel.

The colour palette of the Harbour collection lies within quieter hues of Sand Dune, Flax and Sea Crest, as well as nostalgic maritime colours like Sail, Navy and Lobster.
